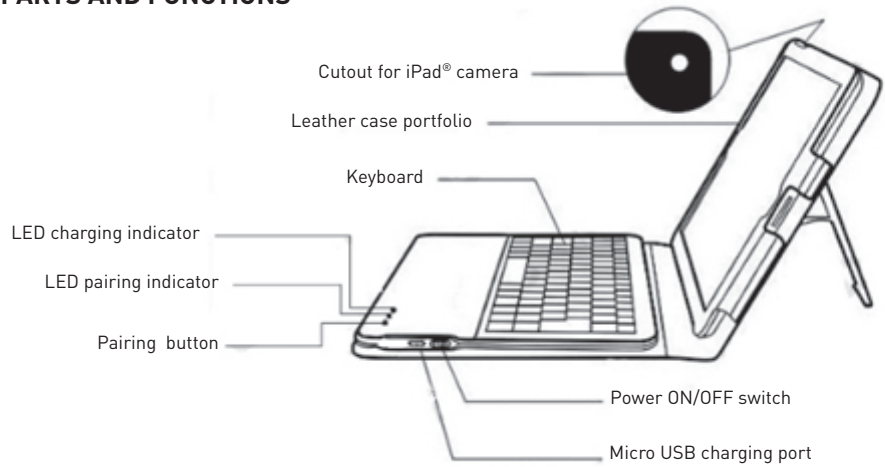
PARTS AND FUNCTIONS



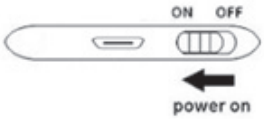
CHARGING THE KEYBOARD

The keyboard can be charged using the supplied USB to micro-USB charging cable. Connect the micro-USB end of the supplied cable into the keyboard.
Connect the other end of the USB cable to your laptop/computer or any other USB charging device. During charging, the red LED indicator will light. When the battery is fully charged, the LED indicator will turn off.

Note: When the blue LED indicator is flashing quickly, the battery is almost empty. Please charge it ASAP.

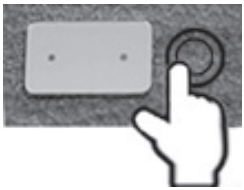
TURNING ON / PAIRING THE KEYBOARD

Turn on the keyboard with the power ON/OFF switch on the right side.



NOTE:
Before pairing the keyboard for the first time, please update your iPad® to IOS 7.0.3 or higher!

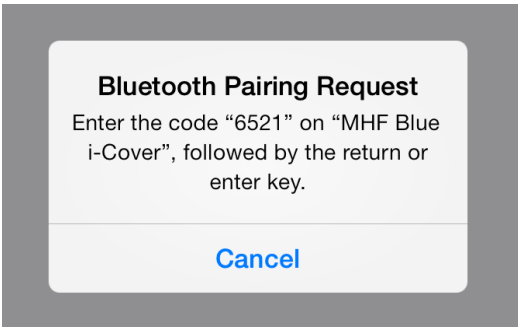
Press the Pairing button located in the right bottom corner of the keyboard to start the Bluetooth® pairing process. The blue LED indicator will start flashing.



GB

Select the “Setting” icon on your iPad® screen, then select “Bluetooth®” and turn “Bluetooth®” to ON.

Your iPad® will search for available Bluetooth® devices. Select “MHF Blue i-Cover” from the Devices list: at this point, your iPad® will display a pop-up message indicating the pairing code. (This message may vary for IOS6 and older operating systems.)

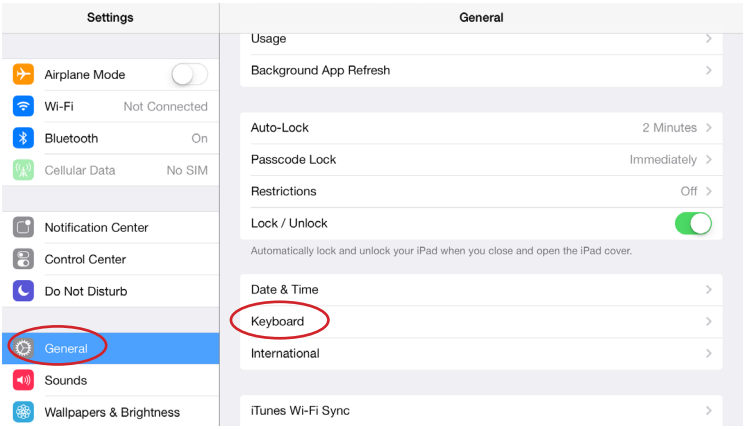


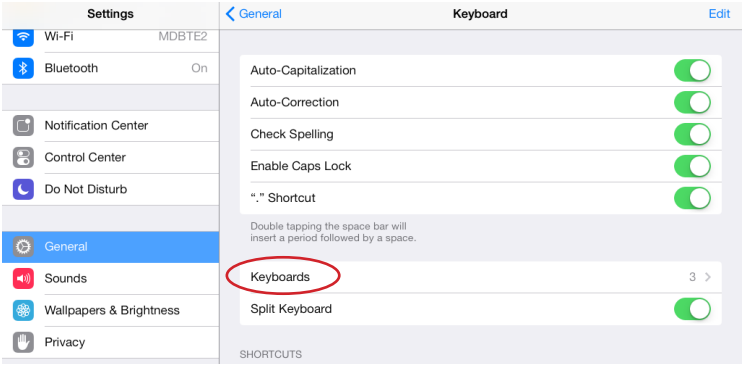
Enter this code followed by the “Enter” key using the keyboard.
Your keyboard is now paired and connected with the tablet. The blue LED pairing indicator will now turn off.

The keyboard will enter into battery-saving sleep mode after 30 minutes of inactivity. To activate the keyboard again, press any button, and wait while the connection is being restored.

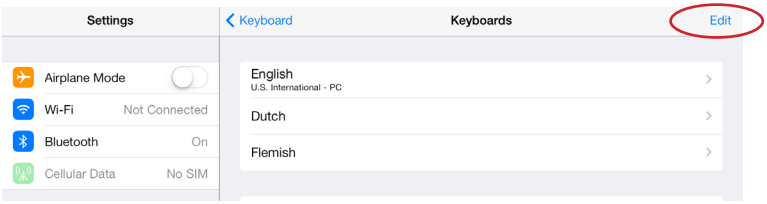
INSTALLING THE KEYBOARD

Go back to the “General” screen and select “Keyboard”. Select “Keyboards” and then “Add New Keyboard”. From the list that appears choose English (Canada) and/or Français/French (Canada/Switzerland). You will be taken automatically to the previous screen.





Select "Edit" and drag the symbol at the top of the list by holding down the icon with the selected language. Once this is done click on "Done".



The Bluetooth® keyboard can now be used with all text-based applications for iPad®.

Language selection using the key combination "Command"-"Space": If multiple languages are installed, you can rotate by pressing the "Space" key.

To select special characters or language accent marks, you should keep the "Alt-Option" key pressed while pressing the key that you would normally press on a standard European AZERTY keyboard.
For example, "Alt-Option"+"n" and separate "n" = ñ
"Alt-Option"+"5"= { "Alt-Option"+"r"= ® "Alt-Option"+"B"= ß

DISPOSAL

Do not dispose of electrical appliances as unsorted municipal waste, use separate collection facilities. Contact your local government for information regarding the collection systems available. If electrical appliances are disposed of in landfills or dumps, hazardous substances can leak into the groundwater and get into the food chain, damaging your health and well-being. When replacing old appliances with new ones, the retailer is legally obligated to take back your old appliance for disposals at least free of charge.
